"My favorite part of the Club Land'or experience was the ability to totally relax. I woke each day totally refreshed and ready for my next adventure. Paradise Island is very nice and is a great place to go on vacation. The Blue Lagoon Restaurant served very fresh salmon and the service was five star. I will definitely recommend Club Land'or to my friends!"

## Our Members Speak

"We stayed the week of Feb 24th to Mar 2nd and had a wonderful time. The resort is small but in a fantastic location . The rooms were clean and comfortable with a great view of the marina and Atlantis . The staff were friendly and we got to know them all on a first name basis. We made many new friends through the weeks stay. The Sunday night BBQ is a must do and Action Jackson the Limbo King put on a great show and everyone was able to get personal pictures with him afterwards The Rose island excursion was very nice and they had volleyball and other activities to work off the great BBQ they supplied . We enjoyed the day passes to the beach at Atlantis and the casino is only a 5 minute walk from the resort It was a great week and we hated to leave ."
